

## Chelsa Rostagni, M.S., CCC-SLP

Chelsa Rostagni graduated with distinction from the University of Nevada, Reno with a B.S. in Speech Pathology and Audiology and a minor in Developmental Disabilities. She further earned her M.S. in Speech and Language Pathology from the University of Nevada, Reno in 2011. Chelsa has worked full-time in private practice and per diem in skilled nursing facilities since completing her degree and founded her own private practice in 2016. Since obtaining her license from the State of Nevada Board of Examiners for Audiology and Speech Pathology, Chelsa has gained extensive clinical experience with a variety of different disorders, including Autism, Down syndrome, Aphasia, Parkinson's disease, Dysphagia, Stuttering, and Apraxia, in addition to Phonological, Articulation, and Language disorders. She has worked with clients of all ages, ranging from children under the age of one to adults in their 90s and has also worked in Early Intervention, providing therapy in client's homes or in the child's most natural environment. Chelsa is a member of the American Speech-Language Hearing Association as well as the Nevada Speech-Language Hearing Association. She feels strongly about the benefits of community outreach and believes passionately that everybody deserves to have a voice.
